

Fuyao North America Launching New Greenville County Processing Center

Auto Glass Supplier Creating 70 New Jobs

By SC Governor's Office

COLUMBIA, S.C.— Fuyao North America Inc., a venture of China-based Fuyao Glass Industry Group Co. Ltd. (Fuyao Group), is launching a new processing center in Greenville County. The company's \$16.1 million investment is projected to create approximately 70 new jobs.

Since 1987, the Fuyao Group has been producing high-quality automotive glass for original equipment manufacturers and aftermarket suppliers. Operating as one of the largest producer of automotive glass worldwide, the company holds more than 300 patents and manufactures four million glass car sets annually.

Fuyao North America Inc. will be establishing a new, 182,000-square-foot processing center with light production capabilities at 110 Milacron Drive in Fountain Inn, S.C. Hiring for the new positions is projected to begin in this quarter.

The Coordinating Council for Economic Development has awarded a \$100,000 Set Aside grant to Greenville County to assist with costs associated with the project.
