Thirteenth Annual Run, Walk, & Roll on April 27, 2019 at 9:00 am

Washington Center, students are working hard to get the word out by filling envelopes and preparing flyers. Please save the date for our Thirteenth Annual Run, Walk, & Roll on April 27, 2019 at 9:00 am on the campus of Washington Center. We are excited to show case our ADA compliant nature trail for this event. Our certified USATF course will offer a 5k race, 5k relays with 2 or 3 runners, and a fun walk around our trail. This event is an opportunity for our community to join with the children, families and faculty of Washington Center to support our students and school.
