

## **Olde South Ball a Success!**

Published: Monday, 25 January 2010 22:42

The first annual Olde South Ball held at the Airport Marriott was a complete success!! Guests enjoyed a lovely southern meal, browsed tables of gift items for sale, took home door prizes, bid on one-of-a-kind items in the silent auction, and most of all stepped lively to a full evening of 1860s-era music capably played by the Blueridge Rounders.

Dance callers Heather & Raquelle Sheen saw to it that anyone who wished to dance was able to participate confidently. Everyone was dressed in brilliant finery, many in styles of the 1860s, and Christmas decorations added to the festive air. Hotel staff were cheerfully attentive to everyone.

Mark your calendar now for the second annual Olde South Ball! Plans are underway to hold the ball on December 11 at the Airport Marriott once again. Updates will be coming soon at: [www.oldsouthball.com](http://www.oldsouthball.com). We hope to see you there!
