“Now, we find out that Adam Schiff was spending time together in Aspen with Glenn Simpson of GPS Fusion [sic], who wrote the fake and discredited Dossier, even though Simpson was testifying before Schiff,” Trump wrote on Twitter Friday, referencing a Thursday column in The Hill by John Solomon.

Solomon wrote:

[Photos] show Schiff meeting at the event with Fusion GPS Founder Glenn Simpson, one of the key and most controversial figures in the Russia collusion scandal. Both men insisted to me through spokesmen that they met only briefly last July.
