Running against him was Greenville Tea Party Leader Pressley Stutts who ran on a twelve point plan to grow the local county party and to make it more effective. It wasn't enough to beat Leupp on his past two year record as the County Party Chairman. Leupp received 298 votes with Stutts receiving 168 votes.

Leupp told the convention delegates and visitors, which was held on April 22, 2019, that he has given countless hours to the local party and has promoted the county party platform and dedicated himself in getting Republicans elected and growing the party.

The chairman gave numerous awards out - see images below. Republican dignitaries, local and federal, gave speeches congratulating him on his reelection and gave updates on current legislation.
